- All work performed must be constructed in accordance with the IBC, IRC, NEC, IMC, IPC, IFC, and Energy Code.
- In addition to the Processing Fee, a Permit Fee is applied which is based on the cost of the valuation of work being done.
- Permit fees must be paid prior to inspection(s).
- Fees are doubled if work begins before the issuance of a valid permit.
- Re-inspection fees are required for failed inspections and must be paid prior to the re-inspection.
