

Municipal Court Juror Update Information

The Sealy Municipal Court would like to express its gratitude for serving as a juror for the City of Sealy. This is a very important role that each and every citizen should view as an honor and a privilege. Without your service, our system would not work.

Please fill out the summons form completely. If you qualify for any exemptions or disqualifications listed on the back of your juror summons, check it off, sign it and return to court as soon as possible.

If you do not qualify for an exemption or disqualification, it is your civic duty to present yourself in court. Failure to comply with a jury summons can lead to being found in contempt and being fined \$100.00 by the Presiding Judge.

Thank you very much for your time and dedication.
