What is the Texas Revenue Recovery Association?

The Texas Revenue Recovery Association (TRRA) is a collection of cities and other public entities operating under the authority of the Interlocal Cooperation Act (Chapter 791, Government Code) to assist one another in the collection of delinquent utility accounts. If a customer has left another city with an unpaid utility bill, the new city providing service has the authority to discontinue services until the utility bill from the previous city is paid in full. Cities and public entities within the State of Texas now have a quick and reliable process of determining delinquent utility accounts. Member cities of the TRRA will continually check the TRRA database for customers who have not paid their utility bills. The TRRA was established to help keep utility bills as low as possible.

I hereby declare and affirm, to the best of my knowledge and belief, that all statements and answers as stated herein are full, complete, and true. I, the undersigned, fully understand that I am responsible to pay for utility service or other charges which may become due to the City of Sealy at this address. All persons who sign this application shall be jointly and severally liable for any water, sewer, gas, and garbage service charges incurred at this service address.
